DONNA LEWIS

The Arts High School graduating class of 1977 wishes to preserve the memory of Donna Lewis who passed through our lives and who most of us were fortunate enough to have known.

ARTS-HIGH SCHOOL LIBRARY
NEWARK, NEW JERSEY 07102

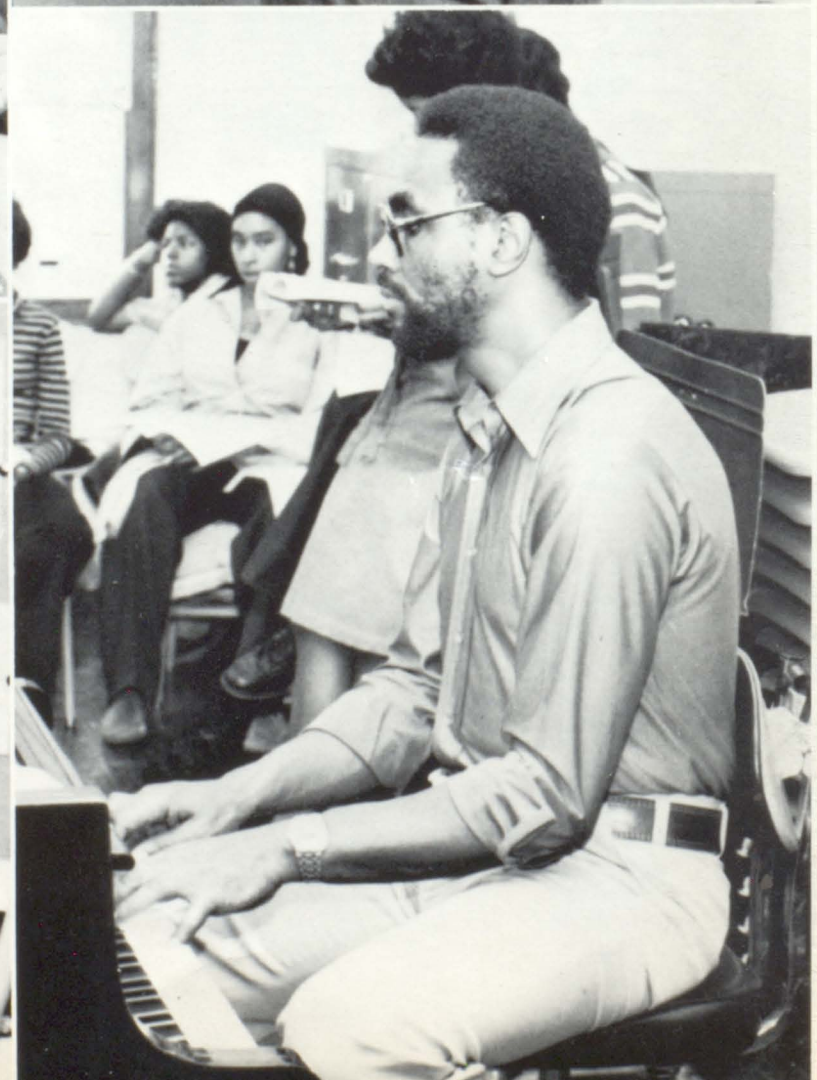

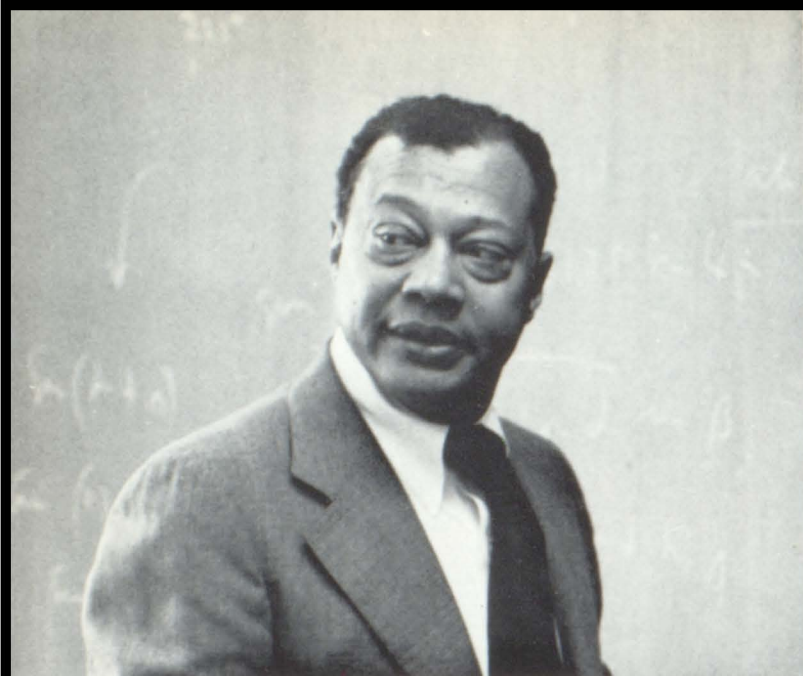

THIS IS OUR LIFE

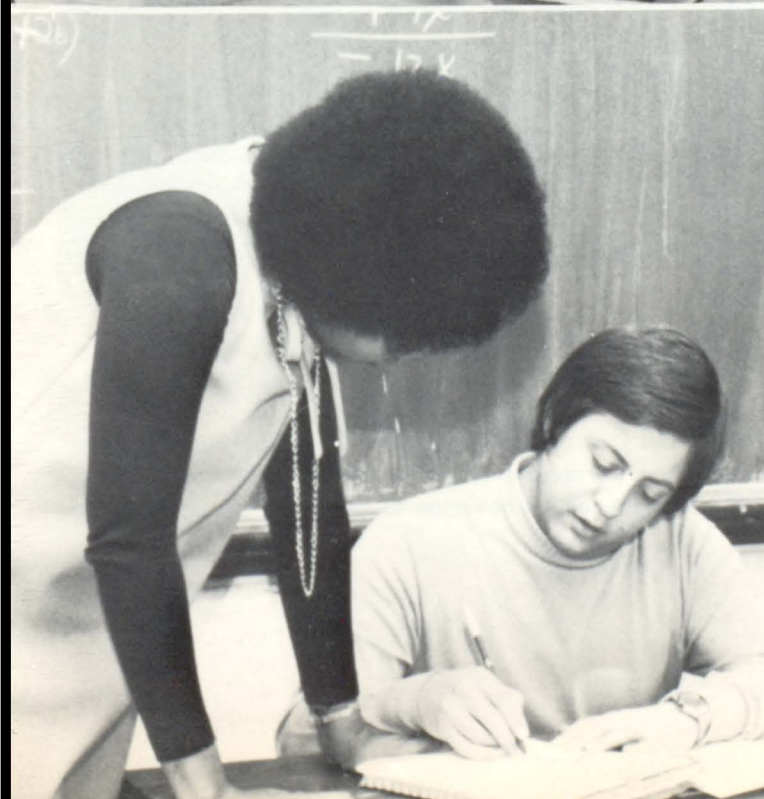

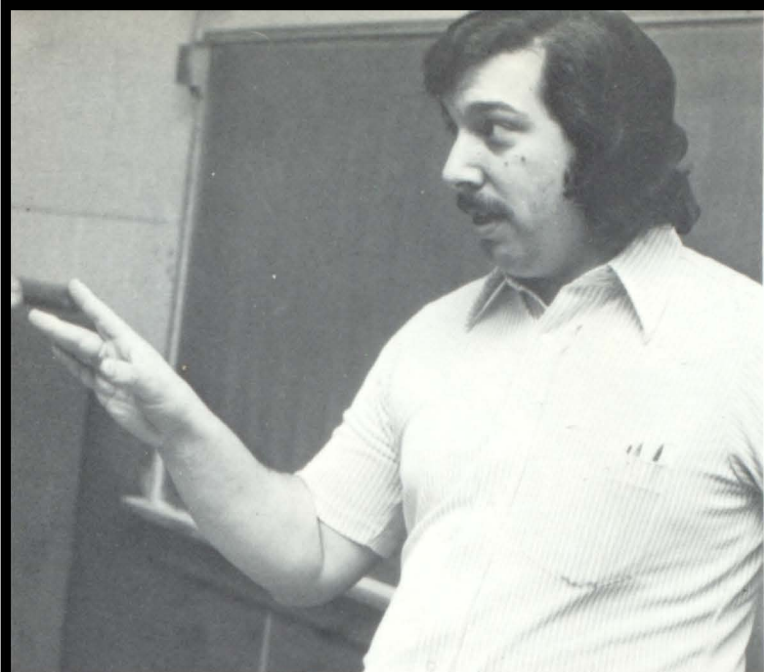

We have now reached the crossroads where our aspirations, hopes and self-knowledge determine what accomplishments and contributions we will make to this world. We hope our choices will be the right ones now that we have been given the building blocks necessary for a solid foundation in our lives.

During our younger years, we didn't realize that we would soon enter the structured environment of school. We would be educated inside and outside of the school on what is acceptable, what is expected of us and what opportunities are available to us.

But now we are in a position to control our own lives. Now we must face forward and look ahead to the challenges, hardships, and pleasures that will now be placed before us.

ADMINISTRATION AND FACULTY

The Arts High faculty, through diligent work, has perfected the "thorough and efficient" system of education. The administration and faculty have provided our students with guidance, counseling and knowledge. They have implanted in us all of the guidelines we will need to become the leaders of tomorrow. The equipment and supplies used may not always be the best, but our school remains a smooth running and worthwhile place for us to grow and mature.

MR. HILTON OTERO
PRINCIPAL

Mr. Otero has always steadfastly maintained that we strive for excellence and success as we travel along the treadmill of life. The senior class would like to take this opportunity to thank Mr. Otero - a good man.

MR. GEORGE STEISEL
VICE-PRINCIPAL

We thank Mr. Steisel for making us recognize that there will be authority and order in our lives. The discipline we receive now determines how we react to it later on. The Class of 1977 is aware of his devotion to us and to our school. We thank him for that also.

SENIOR CLASS ADVISOR

Under the leadership of Mr. Larry Hazzard, the class of 1977 was able to truly enjoy its last year at Arts High. No words exist to adequately express the many thanks we owe him. As class advisor, he never let us settle for second best and took great interest in all our activities. We thank him and shall miss him.

CLASS OF 1977

During our innocent years, our ideals had not been fully formed, nor did we know how structured the environment of school would be. We would be educated here and elsewhere as to what opportunities are available to us.

School is a wave we are placed upon so that we can flow into the American stream of life. But this is OUR life and we must strive to make it better for ourselves and the generations to follow based on the accomplishments and failures of the past and on the efforts and capabilities we now possess.

It is necessary to realize not merely where we stand, but in what direction we are going.

FUTURE GRADUATES

The time has come to look back to the beginning . . . a time when the Seniors of 1977 were first set upon this earth . . . a time when those future graduates of Arts High did lots of cute things.

For instance, did you notice how skillfully Eileen is punching herself, how adorable . . . and look at Gail imitating a can of blackeyed peas . . . and then there's Antoine who's been laughing ever since he was two weeks old . . . and if you can guess which one is Charles Reed in picture number seven you win the baby.

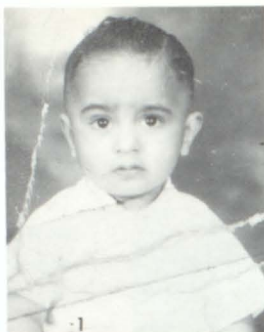

This was a time when no one suspected that they would become the Most Popular or Best Dressed, etc. . . . but now we do know and it's time to recognize them.

Our Trip to Hershey Park

The day had finally come, the highlight of our Junior Year. Everyone got up early that day and came to school armed with paper bags and great expectations. All were ready to go on the Junior Class Trip to Hershey Park.

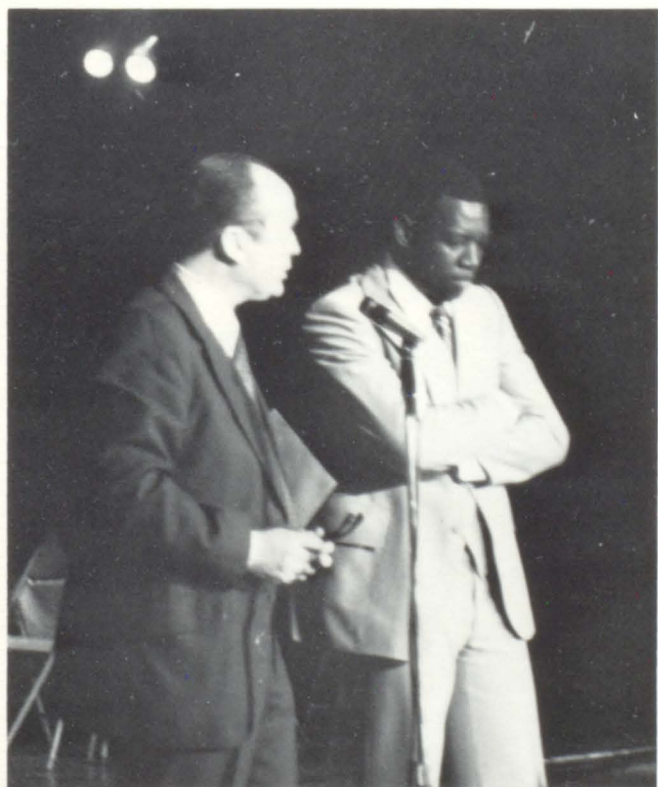

The atmosphere was charged with excitement, but rain threatened to put a damper on the day by the time everyone arrived at the park. A few droplets escaped from the sky, but soon they subsided. Nothing could subdue the high-spirits and exhilaration felt by everyone. Teddy bears may not have been won by all, but everyone came back with memories that will not soon be forgotten.

50's Day Contest Winner - Valerie Williams

Each has his own thought, his own mind;
 Each one searching, and trying to find the reality of it all.
 What will the future hold for these beautiful, talented, young and
 bold men and women?
 Some will succeed, others may not, but the class of "77" are
 without a doubt themselves!

The Senior Fashion Show Extravaganza truly deserved its name. The show itself was beautifully arranged and performed. That night in the fall of 1976 will also be remembered as the night H. S. became famous throughout the school for skillfully tripping over the microphone cord.

The seniors and underclassmen who participated displayed outfits of their own creation and stunned everyone. Each scene was unique. The stage was filled with one exciting scene after another, featuring American Tourists, Chinese Pleasure Ladies, Bonnie and Clyde, Dream Girls and Common People.

This event was very successful in raising funds for the senior class and in providing a good time for everyone.

Fashion show is a huge success

REMEMBER

- . . . on the way home from Hershey Park we had to stop the bus for Howard Simpson to use the bathroom.
- . . . Mrs. Neuss bumping into the pole and saying "excuse me."
- . . . the walk out we never had.
- . . . when Robin Johnson's boot broke and she tied it up with a rubber band.
- . . . the "sweet aroma" from the girls' bathroom.
- . . . our "undefeated" basketball team.
- . . . when everybody thought they were getting over on Mr. Yablick's test and Mr. Mondalto busted everybody.
- . . . Mr. Williams getting insulted by a student's father.
- . . . when Mrs. Neuss' eighth period class walked out and she couldn't find them.
- . . . Darryl Cox being chased around the building with just his jock on.
- . . . when Harold got tangled up in the flag during assembly.
- . . . when Sandra Suggs beat up Reggie Bellamy on the Jr. Class trip.
- . . . the stuff they served us in the cafeteria.
- . . . the glove compartment that served as the boys' gym.
- . . . when Mrs. Venskus' class sang "Merry Christmas" to her.

Last Will

We, the graduating class of 1977 at Arts High School, in order to form a more perfect school, establish fallacies, insure domestic delinquency, provide for the student body, promote general chaos, secure control for ourselves and having an all around good time, do hereby bequeath as our final benevolent gesture to those who made our lives here one of misfortune and merriment, the following last will and testament:

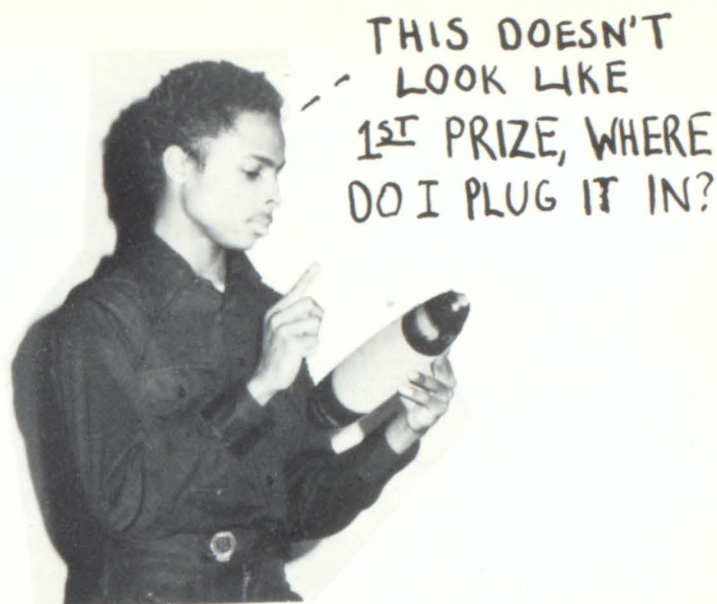

- to Mr. Slavitt . . . a box of assorted lollipops to suck on instead of ball point pens.
- to Mrs. Venskus . . . a class that doesn't fool around with the acid.
- to Mr. Heck . . . a nose-muff for below zero weather.
- to Mrs. Johnson . . . a prescription for Dr. Brown's energy pills.
- to Miss Cardella and Mrs. Greene . . . a guarantee to grow at least one foot taller.
- to Mrs. Prizgintas . . . Fred Astaire
- to Mr. Cushnir . . . a physical fitness program.
- to Mr. Hazzard . . . a jamming basketball team.
- to Mr. Yablick . . . pep pills.
- to Mrs. Hansen . . . ten inch elevator shoes.

ACTUALLY
IT WAS
22 TIMES,
BUT WHO
COUNTS?

Today,
Green!

and Testament

to Mr. Lang . . . a new gym

UNDERCLASSMEN

Records of our accomplishments and portions of our knowledge shall be left behind to our successors, the underclassmen. The goals reached by one class will linger in the memory of the next to help them reach their own. We wish to inspire in them the desire to aim higher.

Now that the time has come for us to leave, we must pass the torch on, as it has always been passed and will be passed. We hope that they will face up to what is to come and be able to go far beyond what is expected of them.

SPORTS

This is our life. There are many ways that we can enjoy it and prosper. Sports competition is a very important part. We are proud of our more than efficient coaching staff and our hardworking athletes. Arts High has become a powerful competitor in the field of athletics.

The athletes call upon the sweat of perseverance, the tears of sacrifice, and the spirit of will to spur them onward. The game itself is where everything comes together. Emotion runs high. Winning becomes the primary concern. This is the time when sheer happiness is realized.

Soccer team smashes rival!

SENIORS

Standing, left to right: Coach Alamo, Ralph McNeal, Walter Bembry, Carlton Clark, Curtis Gilmore, Charles Reed, Tyree McQueen, Antoine Jennings, Martin Jenkins, James Hooper, Eric Hill, Rufus McCall, Randall Thomas. Kneeling: Leon Byass, Luis Velez Albert Harris.

Arts High's Soccer Team was proud to defeat its "rival," Irvington Tech with a score of 3-0. They shutout Shabazz 5-0 and had a 6-2 victory over Weequahic. Their overall record was 5-8-1. Defense was led by Leon Byass, Alby Harris, Charles Reed and James Hooper. Eric Hill, Cromwell Torretagle and Ralph McNeal headed the offense. We are very proud of the fact that Alby Harris made the All-City team. Congratulations to him, the entire team and Coach Alamo for an exciting season.

Cross Country Team has 5-5 record

This year Arts High's Cross County Team placed 5th in the city varsity meet and 4th in the J.V. meet. Percell Smith, devoted captain, was a prime example of leadership for the team. Darryl Cox, Marc Means, and Jerard Dickinson put forth great effort to make our team successful. Mr. Marcus worked very hard with his spirited group of athletes, who ended the season with a 5-5 record.

SENIORS

Kneeling, left to right: Darren Anderson, Tony Means, Judy Lightsey, Christopher King, Lance Cowen. Standing: Judy Simmons, Marvin Tukes, Frank Gorham, Anthony Edgerton, Marc Means, Geoffrey Mitchem, Percell Smith, Kelvin Thompson, Jerard Dickinson, Christopher Wade, Darryl Cox, Harold Jones, Ernest Leake, Coach Marcus.

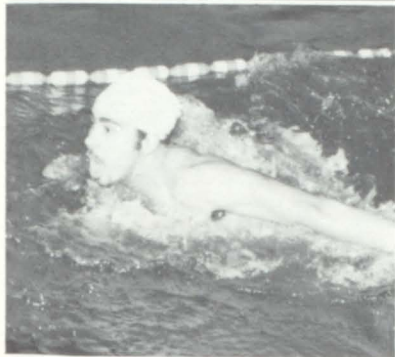

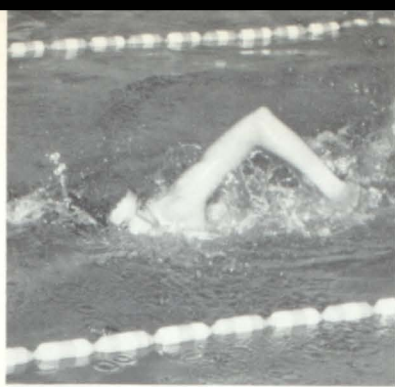

Kneeling: Antoine Jennings, Cleanzy Pinkney. Standing: Toni Jackson, Osborne Bey, Ernest Jones, Howard Crawford, Clarence Terry, Tanya Winborne.

The fencing team finished this year with a 7-7 record and 3 medals. Co-captain Cleanzy Pinkney was 8th in the city and 5th in the State Sectionals. The J.V. team ranked 2nd in the city. This was one of their best seasons. Coach Liput anticipates next year to be a rebuilding season because of the loss of the senior members.

Fencing team has 7-7 record.

Swim team captures medals

The Swim Team finished a victorious season with a 7-5 record and second place in the Newark High School Council Championship Meet. Individual recognition must be given to Albert Harris (MVP) - High Point Scorer with 126 points, and to Edgar Montalvo as the most improved swimmer.

At the City Meet, 2nd place was also pulled in the 200 yd. medley relay. Harold Showers won a silver medal in the 50 yd. freestyle, while Luis Velez received a bronze in the 100 yd. freestyle, Jerard Dickinson received a bronze medal in the 100 yd. breast stroke, and Albert Harris earned 2 silver medals in the 100 yd. butterfly and the 400 yd. freestyle relay.

Basketball team has tough schedule.

Keith Davis

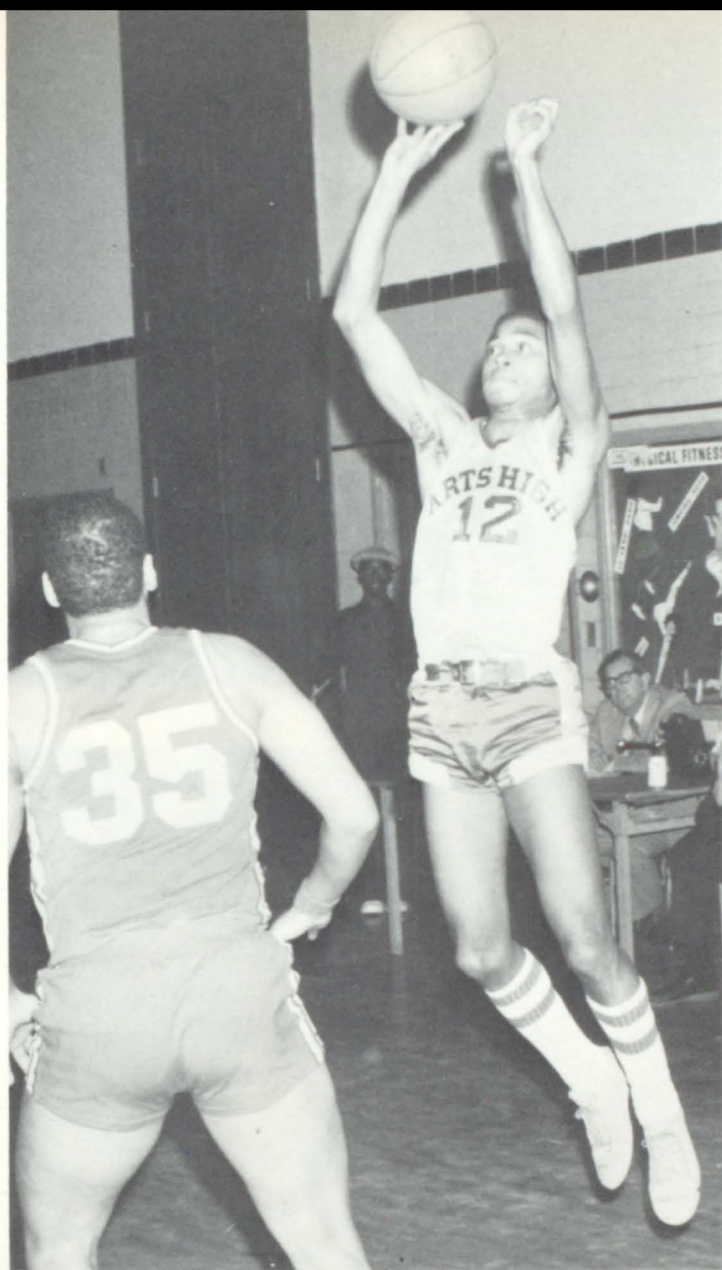

Greg Battles' jump shot.

The team struggled through a very tough schedule and lacked a big man. The Varsity team had a lot of character and worked hard all season. The fellows, led by Captain Keith Davis, participated in the State Tournament but lost in the first round to Edison Tech.

Twirlers do it up!!

Cheerleaders stir up crowd!

The cheerleaders, advised by Miss Isaac, really stirred up the crowd at the 76-77 Basketball Pep Rally. At basketball games they enthusiastically show that they are proud of being Jaguars. Whether winning or losing, they worked hard at keeping the spirits high at the games.

Track Team dominates Vo-Tech Conference

The outdoor track team smashed all of the competition for the New Jersey Vocational Technical Conference. Medals were received by Charles Reed, Percell Smith, and Darryl Cox. The team finished with outstanding record of 11 wins and only 3 defeats. The participants in the field events were the best ever in the All City and Vo-Tech track meets.

Kneeling, left to right: Christopher King, Robert Smith, Stanley Morton, William Phillips, Larry Reed. Standing: Mr. Marcus, Percell Smith, Neil Faust, Derious Malone, Ernest Leake, Dolores Booker, William Perry, Vivian Berry, Marc Means, Judy Lightsey, Brian Head.

Tennis Team wins 4 meets

The Tennis Team finished with a rather depressing record of 4-12 this year, but the members are hopeful for an outstanding season next year. Ronnie Wingo is the team's captain. The group took part in the Essex County Coaches Tournament. Anyone with interest and some skill in the game is welcome to try out in West Side Park in the Spring.

Baseball Team places third

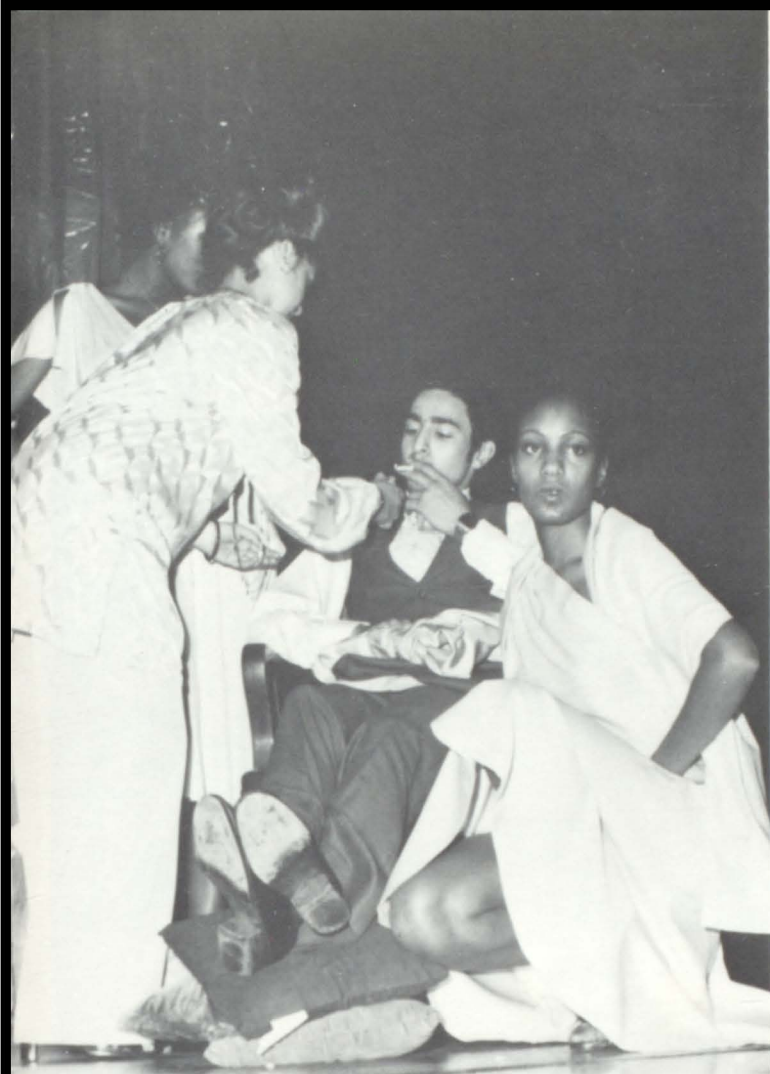

SENIORS

Front Row, left to right: Leon Byass, Randall Thomas, Alby Harris. Standing: Harold Showers, Eric Hill, Carlton Clark, Luis Velez, Curtis Gilmore.

The Arts High Baseball Team under the guidance of Mr. Cushnir really showed team sportsmanship whether winning or losing. The senior members were outstanding in bringing the team to a third place win in the Vo-Tech League.

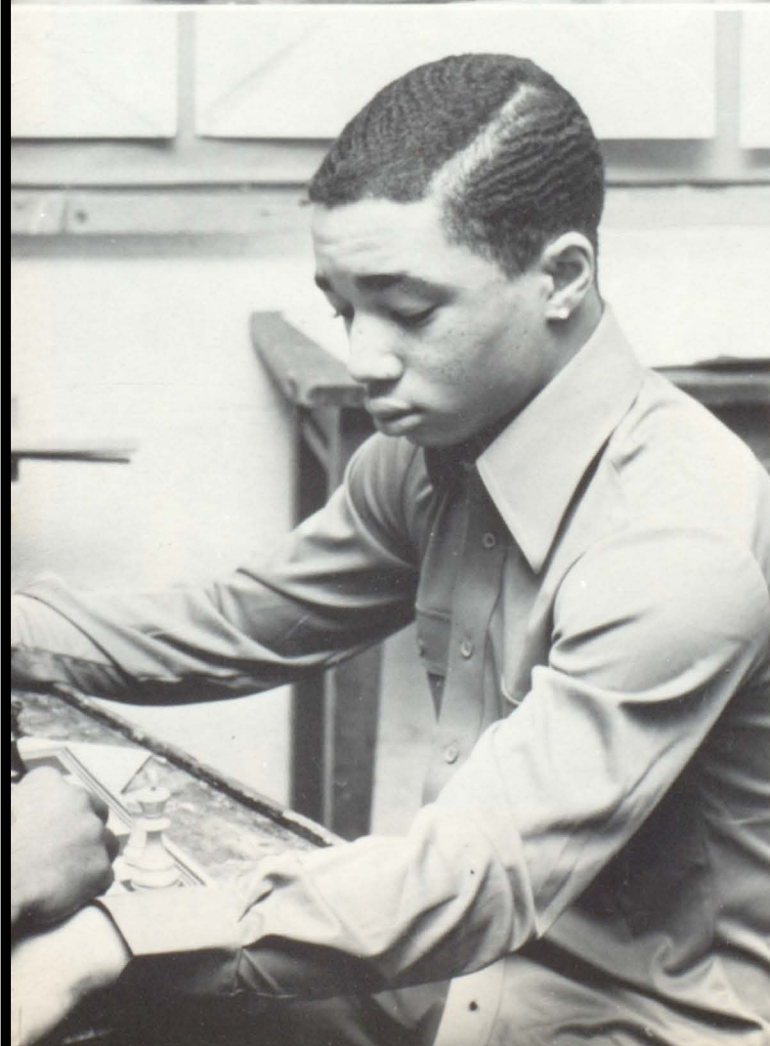

ACTIVITIES

Whether drama, dance, art or music, all of our activities give us a chance to enhance ourselves. Our ability to cooperate with others is revealed. We realize that there is a time to recognize the difference between being an individual and being part of a group. Our activities give us the chance to develop our skills, to admire the skills of others and to share a feeling of contentment when a job is well done.

This is what our life is all about, working together, improving ourselves and gaining the maximum benefit from it all.

SERVICE COMMITTEE

Mrs. McDuffie's Service Committee is responsible for supplying hosts and hostesses for school activities. Members usher at concerts, shows and any other program for which they may be needed. Meetings are held after school in room 209 on Tuesdays and Thursdays. Their services were most appreciated on International Day when they served ethnic dishes prepared by the students to visiting foreign students. Ruth Mobley is the hard working chairperson and Judy Simmons assists.

Under the direction of Cynthia Wiggins and Selton Dove, the Gospel Chorus always succeeds in relating messages to its audiences through song. Smooth, melodic notes are played on the piano by Selton while the chorus displays its special talent. The performance on Alumni Day, December 23, 1976, showed professionalism and power far beyond that expected of a high school group.

GOSPEL CHORUS

STAGE CREW

Under the guidance of Mr. Marcus, the Stage Crew is responsible for all auditorium related activities. They provide the special technical expertise needed. Being a member of the crew takes knowledge and skill. They are especially proud of the job done for the Senior Fashion Show Extravaganza.

Advised by Mrs. McDuffie, the Arts High Student Council is a forum for student ideas as well as grievances. With Kari Jacob as president, Tracey Collins as Vice-President, Sharon Almeida as Secretary, Leslie Bivins as Treasurer and Harold Showers as Parliamentarian, the Arts High student body is confident that its ideas, complaints and praises are carried through to the administration. This year the council sponsored a talent show which, while exhibiting some fine talent, was attended by a large, sometimes difficult audience.

HONOR SOCIETY

Front Row: Marion Canty, Nina Lynn, Wayne Harris, Linda McDaniel. Second Row: Betty Sit, Mrs. Venskus, Marc Means, Evette Potts, Valerie Davis, Trinale Hill, Valarie Edwards, Ruth Mobley, Neva Alexander. Not Pictured: Rosena Chisholm, Donna Curvin.

The Honor Society under the direction of Mrs. Venskus, is comprised of Juniors and Seniors of outstanding academic ability. Some of their duties are tutoring, collection for charities and aiding the service committee. New members are initiated by candlelight in a most memorable ceremony. The Honor Society is a vital part of Arts High's tradition and will continue to be so in the future.

SCIENCE CLUB

New members are always invited to join the Science Club headed by Mr. Brasch. The group does scientific experiments, hears lectures by respected scientists and learns of job opportunities in the field of science. The club is also involved in recycling material for ecology.

VARSITY CLUB

The Arts High Varsity Club presided over by Percell Smith is an organization of students who have attained a varsity letter in a sport. At the annual awards dinner, letters are presented to those athletes who are most deserving. Meetings are held monthly after school.

The Future Physicians Club is the place for you if you're interested in a health career. The members become acquainted with doctors and nurses through lectures and hospital visits. Medical techniques such as finding blood pressure are learned. The club meets at 7:30 a.m. on Friday mornings in room 219.

FUTURE PHYSICIANS CLUB

SENIOR CLASS EXECUTIVE BOARD

The Senior Class Executive Board with Mr. Hazzard as advisor and Albert Harris as president plans activities both fun and fund raising for the benefit of the senior class. All members have done a more than competent job of pulling the class together into a capable working unit.

LAB ASSISTANTS

When you walk into the Chemistry Lab, you know a lab assistant has been there. Lab assistants are students who want to learn more about chemistry than the average student learns. They set up and clean lab equipment for experiments, and perform experiments that are too difficult, too expensive or too dangerous for the average student to handle. A "B" average must be maintained to be a member.

CHESS CLUB

This year, Arts High's Chess Club, under the guidance of Mr. Piazza, is composed of a group of students interested in improving their skills in chess. They even challenge other schools to matches.

JUNIOR CLASS COUNCIL

Made up of concerned and active juniors, the Junior Class Council prepares itself and its class for the rigors of being seniors. The diversified fund raising endeavors they originated are proof of the leadership ability they are gaining. When we leave, we know the new senior class will be one of great ability to lead.

ASPIRA

The Aspira group was organized to help students of Hispanic origin to increase self-awareness and pride in their unique culture. Any non-Hispanics who are interested in their culture may also join.

They have held career conferences and have had group discussions on ways to confront the social, cultural and economic problems of the community.

AFRICAN DANCE CLUB

The African Dance Club is under the guidance of Mrs. Tso. The group consists of two Student Co-Directors, Sandra Ragin and Lauren Spaight. The other members are dancers and drummers who were chosen by their ability to dance and perform. The club has been established in order to promote a semi-professional dance company. The rhythm and feeling of their dancing fills their audiences with delight.

DRAMA CLUB

Arts High School's Drama Club, headed by James Forrester, is involved in a variety of activities. Among them are the presentation of plays and poetry readings. Acting is not their only involvement. They also learn skills connected with the theatre, such as set design and construction, costume design, make-up, lighting, movement and speech. Mrs. Jaqueline Levinson is the advisor.

The Physical Fitness Club, under the supervision of Mr. Hazzard, is active in weightlifting, circuit training, and body building. Under the leadership of Captain Brian Head, the club aims to encourage the maintenance of physical fitness, and to bring about the awareness that a sound body complements a sound mind.

PHYSICAL FITNESS CLUB

PEP SQUAD

The Arts High Pep Squad this year was beset with difficulties from the start. There was a conflict over uniforms, music, and routines. The squad, with Captain Alvina Conyers, managed to surmount the difficulties and put on a memorable exhibit of talent and ability at our annual Pep Rally.

ART CLUB

The Art Club, under the guidance of Mr. Carden, has been formed for two purposes. It is comprised of a group of students who spend their lunch times and some after school hours working on art projects they cannot accomplish during regular class time. Music students with art talent can use this time to receive casual art instruction. Its second purpose is to enable underclassmen to learn techniques necessary to produce a successful yearbook during their senior year.

YEARBOOK STAFF

Aided by Mr. Carden, the yearbook staff is responsible for construction of the yearbook. The staff writes and designs every page down to the last detail. With Howard Simpson as editor, and other student staffers too numerous to mention, the staff was able to complete the many hours of hard work with success.

Mr. Carden proved to be a valuable asset to the staff. Without his years of experience from producing other yearbooks, this chronicle of our times would have been very difficult to produce. We, the Vignette Staff of 1977, appreciate his diligence and express our deepest gratitude.

BAND

Arts High's Band under the leadership of Mr. Israel, puts an extra air of excitement into the assembly programs. They also take an active part in activities such as the Winter Fair, Winter Concert, Spring Concert, Kiwanis Club luncheon and other events. Any student who is proficient on a band instrument can join.

Anyone able to pass Mr. Klelis' audition is eligible for membership in the Arts Orchestra. The Orchestra performs at Winter and Spring concerts playing selections from classical to rock. The purpose of the orchestra is to learn technique in a large ensemble. The Arts Orchestra has learned and adjusted well.

ORCHESTRA

CHORUS

The Arts High Chorus, the largest group in Arts, is directed by Mr. Robert Howard. The Chorus performed excerpts from Handel's 'Messiah' and "Domine Adjuvandum" this year as part of its concert program. Its production of "The King and I" was the highlight of the year for them. Wherever the chorus performs, they are sure to draw a large crowd of supporters. The members had visual appeal beyond comparison this year too. The female members wore lovely peach two piece dresses and the males wore dark suits with complementing ties.

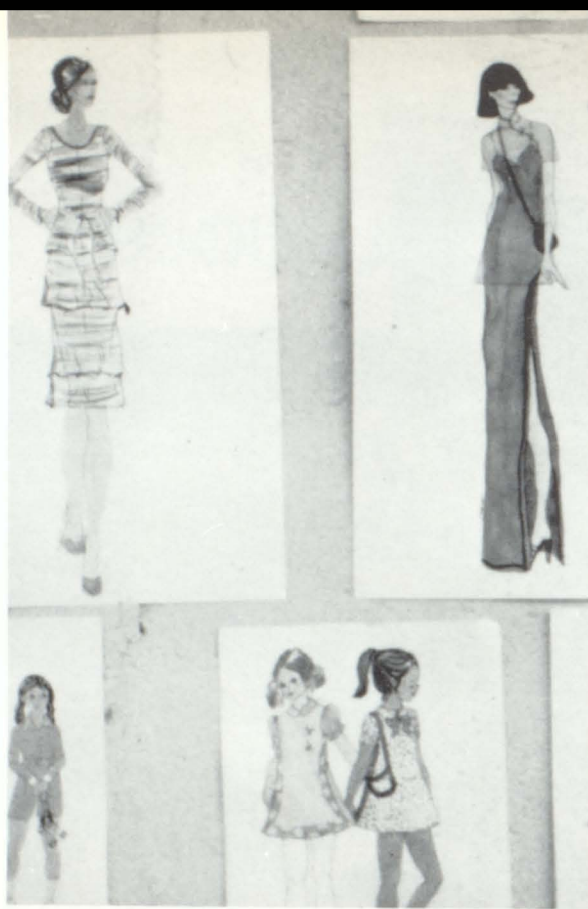

GOSPEL CHORUS

Any young lady with good vocal tone quality and an interest in singing is cordially invited to join. The Glee Club has proven capable of singing harmony that is really mellow.

The big events of the season are their Winter and Spring Concerts. They hope to perform this year at the Teen Arts Festival in Trenton.

Arts High School was chosen by WPIX T.V. - Channel 11 - to be the subject of a TV program called Soul Alive. Cameramen were to come and film school activities. 20 couples were going to be chosen to be on the show. Everyone was struck with excitement from the day of the announcement. When Wednesday, February 23 actually arrived, suddenly people were doing the hustle and filling the auditorium, the basement and the girls gym with a party atmosphere during their lunch periods. The African Dance Company, the Cheerleaders and many other groups and activities were filmed for later broadcast. The 20 couples were chosen on the basis of a one minute dance demonstration. The show was televised on March 19. What a day to remember!

Winter Fair — a success

The Winter Fair proved to be a success once again. Art students' work was displayed and sold; refreshments were made and brought in by all students to be served, and the musical side of the school entertained everyone. Arts was the place to be that night.
